FILE No. 264 of 1904-05.

Grant-in-aid to the Anathalaya in the Mysore City.

From the Comptroller, No. 4040, dated 19th January 1905.

Enquires whether he is right in assuming that Order No. Fl. 4400-1, dated 16th February 1905, authorises the debit of the charge to Muzrai in the current year after making necessary re-appropriation from the sum of Rs. 20,000 provided under 24 D. the Comptroller, No. Fl. 5740, dated 27th February 1905.

States that the charge for the current year which amounts to Rs. 350 may be debited to the head "24. Miscellaneous" direct instead of to "Muzrai" after making a reappropriation

As to the letter from Post-office complained of in the Mayor's letter, the Department may be requested to state in addition the charge to the net cost services under the head "24 Miscellaneous" if it means that a re-appropriation is to be made, and the charge thereon debited to "Mayors" for the year. I may however observe that a course would be open to debiting the charge to "24 Misc."

I shall feel obliged if you would kindly send me a few blank forms of the Treasury Statement respecting the Comptroller's office staff, for which I am in urgent need from the Head Quarters and also in the Mayor's office, since the number of days of the holding of the Camp

Rs 8000 to meet the present emergencies.

The marriage is to come off in June and I have not much time to lose. If you think that I should go to you & explain more in detail I shall run up for a day or two.

I am ashamed to be much indebted to you

My dear Sir,

I request you to kindly let me know if the Dewan has passed orders in the matter of my pension pay and the revenue collections of the year from my places. If not, please remind the Dewan and see that early

9th March 1905.

I beg to submit the following for your kind consider -ation in regard to the loan which you were pleased to sanction - for me.

ıment Order No,F.L.5741-5/G1.Fin.227-04-2 dated 2)5 declining to sanction a further loan of Rs.30,000/- has been received by me. You know that when I applied for loan from Government in 1896-1897,my total debt was Rs.280000/- as per list then submitted to you. Since then to the date of payment to the creditors,deducting the amounts paid by me occasionally,the amount of interest increased by nearly Rs.30,000/-,to pay which I have been obliged to raise a fresh loan,as otherwise my - debts would not have been completely cleared with the amount sanctioned by Government.

If the properties are now taken possession of by -- Government,I shall have no means of clearing off this new debt. If I am not relieved of this portion of the debt still remaining, I need not say that my position will be an awkward one. I do not intend trouble Government again for a fresh loan as I have told you already,but relying on your kind support I beg to suggest an arrangement,viz,that Government will be pleased to allow me to have

th collections of this year and also the full amount of the Palace
spend till the end of December next, with which amount I would be
able to clear off the remaining debt. Government may however be --
immediate possession of the properties.

The other points in the Government I wish
to invite your attention are:-

(1). The whole villages in the Hassan and Bangalore Districts may be in the possession of Government, but the other minor Inams scattered here and there in the District of Mysore and which are leased out from 3 to 5 years may be left in my possession, and I will bind myself to collect the 'gutta' and pay the amount to --- Government. This arrangement would obviate any deterioration of - lands.

(2). I do not think there is any necessity for the appoin -ment of a special shekdar for the collection work, for Survey and Settlement has been introduced into all the villages and there are shanbogues and patels who could easily attend to the collection - work and as such the pay of the shekdar would be an unnecessary bur den on the income.

(3). Regarding the houses which I require for my use, I be to say that the Bangalow in Bangalore and the house in Mysore Fort are absolutely necessary for my occupation and will be in my

possession

possession. It would therefore b very inconvenient to me, if I am
asked to pay rent for them. The : ngalow in Mysore and the house in
Nanjangud, however, are not necess: y for my use and any rent on --
their account would of course be redited to Government
